

2025 ANGEL CITY LACROSSE SEASONAL ADVERTISING SUPPORT

The Servite Lacrosse program is one of the few high school lacrosse programs in Southern California that successfully runs year-round, competing with high caliber programs both locally and nationally.

From June through early January each year, the Servite Lacrosse program trains, travels, and competes as "Angel City Lacrosse". Our top priority is to get our players as much off-season exposure as possible, to aid in the recruiting process for college; in addition, our players are able to consistently compete together and continue to contribute toward both the program's growth and reputation.

The loyal Servite family extends across the country and always supports one another's businesses.

Angel City Advertising is Tax Deducible. Tax ID #87-2257110

Sponsors will be recognized on the backside of our t-shirts, which the boys will wear at trainings, tournaments, and scrimmages for the next 8 months. Funds raised help cover tournament fees, team uniforms, training equipment, travel expenses, and financial assistance for players that need support.
